Statement from Brandon Burleson Democratic Candidate for Hays County Judge

San Marcos, TX – In response to a statement made by my opponent, Ruben Becerra, I will not address lies and a failed attempt to distract from the issues the citizens of Hays County want to hear about.

I am available and willing to talk to anyone about any issues and concerns that relate directly to Hays County or myself as a candidate. I am passionate about effective and responsive government. And I am excited to be part of the conversation about how we can achieve continuous improvement and work together to make our county a better place to live.

If you have any questions, please feel free to reach out to me at the contact information listed above.

And thank you for your involvement.
